

FORMAX[®]

Div. of BESCOP, Inc.

Model FD 612

FULLY AUTOMATIC FOLDER INSERTER

Standard Features:

- One fully automatic insert station.
- Fully automatic adjustments.
- Nine pre-set fold applications.
- User display for easy set-up.
- Seal and non-seal capabilities.
- Two counters - one resettable and one non-resettable.
- Fold types: C, V and Double Parallel.
- Thin paper tolerant, down to 12.5 lbs.

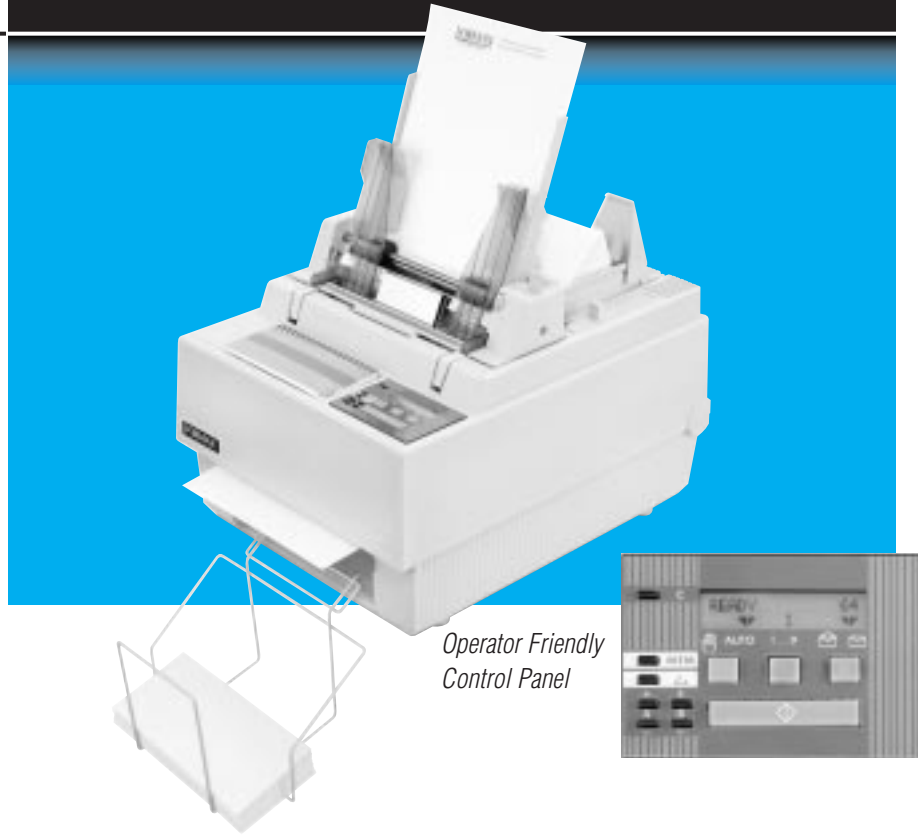

Abilities:

Automatic

- One sheet folded and inserted.

Semi-Automatic

- Up to five sheets folded and inserted.
- One sheet folded, one card nested and inserted

The FD 612 folder inserter fits easily on any desk top.

Automatic settings make it easy to use and allows the operator to load up to 100 envelopes at a time and operate at up to 1300 letters per hour. Unique sensing devices signal the operator if it runs out of materials so that improper inserting never occurs. A simple well laid out control panel ensures that even first time users know what to do without any formal operator training.
